WASHINGTON, Nov. 9.—Col. Enoch Totten, counsel for the star route defendants, this morning began the closing argument on the question of whether it was usual to proceed by information in this court. He quoted a paragraph which stated that Col. Cook had in June last acknowledged that the government had no case against Brady and others. He was interrupted by Col. Cook, who said that at the time the investigation was in progress, but he imagined that the government had an exempt case. Mr. Totten, proceeding, read from a newspaper which stated that the last grand jury was discharged because it was not sufficiently competent to handle this case. He characterized this as an insult upon the court. It was, he contended, evidently authorized. Col. Cook took occasion to say that since his connection with the case he had made no such statement directly or indirectly to the press. Mr. Totten said all the cases in the police court came up in this way, but the facts charged in this information would not justify its allowance in this court. He stated that the common law of Maryland, and not of England, was in force in this district, and cited cases in the district where he alleged citizens had been deprived of liberty in the name of common law.

SAN FRANCISCO, November 7.—The steam whaler Belvidere has arrived, also the whalers Northern Light, Dawn and Rainbow. It appears that the Dawn did not speak the article relief steamer Rodgers, as reported Saturday, but did speak the whaler Pacific, which had communicated with the Rodgers. To-day we have direct news from the Rodgers. The Belvidere spoke her September 27 near Herald Island, steaming south for winter quarters, which she will make probably at St. Lawrence bay. The Belvidere brought the mails of the Rodgers, from which, and from conversation between Capt. Owen of the Belvidere and Lieut. Berry of the Rodgers, the following facts are learned:

Lieut. Berry found Wrangel Land to be an island. He sent a party from the Rodgers out in small boats to explore the land. They returned to the Rodgers, having gone completely around it. The party also surveyed different parts of the Wrangel land. The Rodgers did not go round, trying up while the party in boats went out. The Rodgers, after having established Wrangel Land to be an island, steamed 120 odd miles north and north-west in search of further land, but failed to find any. Lieutenant Berry ascended a mountain on Wrangel island and from the top saw sea all around it. The season had been most favorable for exploration on account of its openness, notwithstanding the stormy weather. Capt. Owen said that from his observation he would not be at all surprised to hear of the Jeanette coming home by way of Greenland. The Rodgers intends to send out a sledge party from winter quarters to explore the coast of Siberia. She expects to leave winter quarters next June and go as far north as possible.

Rheumatism, neuralgia, hysteria, female weakness, etc., promptly cured with Brown's Iron Bitters.

Physicians use them.

Office of Eaton Rapids Dispensary, Richard Medicine Co.—Gentlemen: Please send per mail three dozen of your Liver Pills, as I have a physician here who uses them in preference to all others.

Yours, truly,
L. F. WURR, Business Manager.

It is well known that Sarsaparilla is the great purifier of the blood, and at this season of the year we would direct attention to a preparation carefully compounded from the best Honduras Sarsaparilla, Yellow Dock, Dandelion, Wild Cherry, and other valuable remedies, by Wm. Johnston & Co. It is no quick medicine, and contains nothing injurious. Having used it ourselves, its efficacy we can vouch for, and we earnestly recommend it to the readers of the Journal and for family use especially, satisfied it will prevent many complaints and relieve much suffering.

Mr. Martin A. Connolly, a merchant in Oil City, Pa., writes: "I inherited ill health from my parents, who were both short-lived. My wife is a sickly little woman, and has suffered considerably. We have had five children, three of whom died in infancy; the other two, a boy 4 years of age, and a girl 7 years, have always been quite runy, weak, and sickly. Some time ago I read a medical work that spoke of iron as being essential to life, that a want of iron in the blood was the principal cause of ill health. Shortly afterward I saw an advertisement of Brown's Iron Bitters. I determined to try it for myself and family. The result has far exceeded my greatest anticipation. Myself, wife and children have all grown healthy and strong. Sores, aches and pains, headache, indigestion and sleeplessness, formerly so common in my family, trouble us no more. Every bottle is worth its weight in gold."

IMPORTANT TO TRAVELERS:—Special inducements are offered you by the Burlington Route. It will pay you to read their advertisement to be found elsewhere in this issue.

The Truth, the Whole Truth, and Nothing but the Truth.—If you are suffering from poor health or languishing on a bed of sickness, take cheer, for Hamilton's German Bitters will cure you. If you feel weak and dispirited, without clearly knowing why, GERMAN BITTERS will revive you. If you feel your system needs cleansing, toning or strengthening, GERMAN BITTERS is what you need. If you are old, and your pulse is feeble, your nerves unsteady and your faculties waning, Hamilton's German Bitters will give you new life, vigor, energy, and per se, health. Sold by J. H. DeHart & Co., Vernon, Mich.

Physicians Endorse Them.
MUSKOGEE, Mich., July 13, 1877.
Rhinehart Medicine Co.—Gentlemen: Will you send me a gross of your Liver Pills? I would like them at once as my supply is exhausted, and some of my physicians to whom I recommend them for sale are writing prescriptions for them in their practice. One of them speaking of them, the other day, said, "They are so mild, yet so efficient." I am entirely out of them, and would like them as soon as possible.
Yours, etc.,
A. G. JEPSON.

D. 1870, made and executed by Zorotte Howerin of Hilly, Michigan, to John Lacy, of the same place, and duly recorded in the office of the Register of Deeds for the county of Shiawassee, State of Michigan, on the 19th day of May, A.
